

## **Welcome!**

This **Rockland County Tourism Map** lets you to locate a wide range of attractions and establishments in Rockland County.

Below is some guidance to get you started on using the map.

### **Finding a specific feature**

As an example, let's say you're looking for High Tor State Park. Go to the category listing next to the map and either click on "All Categories" or, as you know it's a park, click on "Scenic, Parks, Trails". These will open an alphabetical list of features.

Then either scroll down the list to High Tor State Park or start typing "High Tor" into the text box that says "Type to Filter List". As you type, the list shortens so that you will see the entry for High Tor State Park. You can also filter the list by selecting High Tor State Park's zip code, 10960, from the "ZIP" dropdown to the right of the filter text box.

Once you find High Tor State Park in the list, click on the entry and the map will center on and zoom to High Tor State Park. Also, a panel appears to the right of the map with information regarding the park.

### **Browsing the map**

You may want to see what other parks there are in Rockland County. Looking at the map, you can search for the icon for "Scenic, Parks, Trails" shown in the category list to the left of the map. Pan around the map by holding your pointer down and dragging, and zoom in by double-clicking on the map or by clicking on the + button at the top left. Zoom out by clicking the - button. Your search might be easier by only displaying the park icon on the map. To do that, go to the category list and hide all the features on the map by clicking "All Categories" checkbox off, and then click the "Scenic, Parks, Trails" checkbox on.

Once you find a park, get more information on it by clicking its icon. A panel will then appear to the right of the map with information regarding the park."

If you want to know where *you* are, click on the bulls-eye button towards the top left of the map and if your device is location enabled, it will zoom to and place a blue dot at your location.
